

Dear lacrosse families,

This letter is to inform you of our plan to travel to Virginia again this spring with the Varsity lacrosse team. We have enjoyed and benefited from the previous two adventures and hope to offer this to all student athletes who make the 2010 team...and their families! For those of you, who's son is trying out for the Varsity for the first time, please understand that this trip is school approved, but funded by each family. The following details will help you plan.

**Dates:** Depart on Monday, April 19<sup>th</sup> and return on Friday, April 23<sup>rd</sup>

**Chaperones:** Coach Jerry Severino [jdsev@aol.com](mailto:jdsev@aol.com)  
Coach Chris Tocin [ctocin@gmail.com](mailto:ctocin@gmail.com)

**Daily events:** 4/19 - depart at 7:00 am from Hamburg High School  
4/20 - game at 4:00 pm vs. Georgetown Preparatory  
4/21 or 4/22 - field trip to the FBI training facility  
4/22 - game at 4:00 pm vs. Highland School  
4/23 - return to Hamburg High School - time to be announced

**Cost:** This will depend on the number of boys that go on the trip. We travel by Niagara Scenic and will be staying at a Sleep Inn in Rockville, Maryland (4/19) and then at a Hampton Inn in Dumfries, Virginia (4/20 - 22). We estimate \$500.00 per boy which covers travel and accommodations, with breakfast included at the hotels. Other meals and incidentals will be at each individual's expense approximately \$150.00.

In the past two years we have had as many as eight families drive separately, and join us on the trip. Families will have the option of staying at the same hotels as the team. We welcome and encourage everyone and appreciate the extra help, but please realize Coach Tocin and I are responsible for all aspects of this trip. We pride ourselves in the safety and care of the team from start to finish. We do, as always, have very serious expectations regarding behavior and reserve the right to contact any parent with us or not, about violations of these expectations. The rooms will be secured after curfew and the boys are expected to remain until breakfast. We will have a meeting sometime in the future to discuss the details.

Ed Needham and Mark Chadderdon have coordinated this in the past, and are doing it again this year. I'm sure they would welcome any assistance.

Sincerely,

Jerry Severino
